No appearances are required. The court continues this matter to December 5, 2025, at 9:00 a.m. in Department 6. The court notes a number of deficiencies in the petition for appointment. The amended citation (GC-320) filed by petitioner is not signed by the party who served the citation. Petitioner can either submit an amended citation completed by the party who served the citation, or a new citation must be filed and served. Petitioner has filed an amended notice; however, only proposed conservatee's attorney and Brian Weston were served. Pursuant to Cal. Petitioner shall provide notice of the continued court date to all who are entitled notice by law.

Finally, based on the report of the court investigator and the report of the court appointed attorney for the proposed conservatee, the court is inclined to designate this request as a request for limited conservatorship pursuant to Probate Code section 1800.3(d) based on the proposed conservatee's developmental disability. Therefore, the court orders petitioner to provide notice to Alta Regional Center pursuant to Probate Code section 1461.4 and further directs Alta Regional Center prepare a report and recommendation for the court's consideration. Trustee Gilmore caused the trust asset located at 517 Packard Drive, Grass Valley, California, to be sold. He thereafter distributed the proceeds from that sale to the beneficiaries. Petitioner accepted the distribution and signed a waiver of right to contest the action. Having signed the waiver, petitioner cannot now contest the distribution or the circumstances of trustee's election to sell the property. See Probate Code §16464.

Additionally, petitioner received an accounting from the trustee on April 15, 2024. The trust provides that, "Upon receipt of an account by the trustee, a beneficiary has 180 days to make any objection to such account or to make any claim against the trustee for matters adequately disclosed in such account." Trust Article 6 section 6.2(p). More than 180 days have elapsed since petitioner received the accounting; accordingly, petitioner's ability to request such an account has expired.
