

March 9, 2026 Truckee Probate Tentative Rulings

1. PR0000943 In the Matter of Junior Roberto Lopez Noriega

On its own motion, the Court continues this matter to April 13, 2026 at 1:30 p.m. in Dept. A. Petitioner is directed to carefully comply with the following to avoid the need for another continuation. Petitioner to submit a new proposed notice order first, followed by a completed proof of service to the parties listed in the prescribed notice list at least fifteen (15) days prior to the continued hearing. Further, a declaration in support of a request to waive notice to any individuals, including deceased individuals, and a proposed order regarding same. Petitioner has submitted documents in disjunct order and/or without sufficient time to properly notice the hearing. As such, the Court directs Petitioner to “go back to the drawing board” with regard to notice.
